Home Training Rules & Regulations

These rules must appear before the consent checkboxes and must be available to the user before submission.

- 1 Training sessions are provided only at the address confirmed with FITOO at the time of booking.
- 2 Clients must provide a safe, clean and suitable space for the training session.
- 3 The client must inform the trainer in advance about any injury, medical condition, pregnancy, surgery, medication or physical limitation that may affect exercise.
- 4 FITOO may request medical clearance before starting training where there is a relevant health or safety concern.
- 5 Clients must follow the trainer's safety instructions during each session.
- 6 The trainer has the right to stop or modify any exercise if they believe continuing may create a safety risk.
- 7 Session timings must be mutually confirmed before the scheduled session.
- 8 Clients should be ready to begin training at the agreed time. Client delays may reduce the available training time.
- 9 Rescheduling or cancellation should preferably be communicated at least 12 hours before the scheduled session.
- 10 Late cancellations or missed sessions may be counted as completed sessions according to the selected package terms.
- 11 If the FITOO assigned trainer needs to cancel a session, the session will be rescheduled without loss to the client.
- 12 Training sessions cannot normally be transferred to another individual unless approved by FITOO.
- 13 The client is responsible for ensuring that any personal training equipment used during the session is safe and functional.
- 14 Trainers must be treated professionally and respectfully. Harassment, inappropriate behaviour, abusive language or unsafe conduct may result in immediate termination of the session or training arrangement.
- 15 FITOO trainers will maintain professional boundaries during all home training sessions.
- 16 Clients should keep children, pets or other potential interruptions away from the training area where they may create a safety risk.
- 17 Training results vary depending on consistency, nutrition, lifestyle, medical factors and adherence. FITOO does not guarantee a specific amount of weight loss, muscle gain or other physical result.
- 18 Payment must be completed according to the agreed training package and payment terms.
- 19 Consultation or training fees are non-refundable once the service/package has started, unless otherwise confirmed in writing by FITOO.
- 20 Personal information collected through this form will be used for booking, communication, safety and delivery of FITOO services.

Developer Implementation Requirements

Use the field keys shown in grey beside each label as the submission payload keys. Labels remain user-facing.

Form Behaviour

Separate routes	Create two distinct forms and confirmation flows: Home Training and Office Consultation.
Conditional fields	Show each 'If Yes' detail field only when Yes is selected. Show each 'Other' text field only when Other is selected.
Multi-select	Preferred Training Days and Available Equipment accept multiple selections. All other option groups accept one selection.
Date controls	Office preferred date must use a date picker and must not allow past dates.
Contact validation	Validate email format. Accept Pakistani and international WhatsApp formats; store the country code where supplied.
Numeric validation	Age, height and weight fields must accept positive numeric values only. Display kg and cm as fixed units.
Consent gating	All consent/declaration checkboxes are mandatory. Disable submission until they are accepted.
Rules access	Display Home Training Rules & Regulations before Home Training consent. Keep the rules accessible from the booking page.
Submission	Send the full form payload to the configured admin destination and store the created date/time, source form and consent state.
Success state	After successful submission, display a clear confirmation and advise that the FITOO team will contact the client to confirm availability.
